

# URSA's Inflatable Packaging Solutions

Revolutionize Your Packaging Protection

# Film Inflation Machine

URSA's machines are designed and optimized for URSA's inflatable packaging films, guaranteeing top performance and reliability.

## URSA D1 Series Inflation Machine

Direct Purchase: **\$1199**

Rental: **\$60/mo**

Our machine is designed for simplicity: follow the on-screen instructions, load the film, and let the machine do the rest. The interactive system syncs with your purchased film profile, offering unlimited inflation options.

- 6,000 hours of trouble-free operation
- Up to 80 ft/s air filling speed for various film styles
- Double-sealed technology for extended air retention and protection during transit

# Air Bubble Cushion

Good replacement for your general shipping use

| Product Name | Cushion Pad Size<br>(before inflation) | Cushion Thickness | Material | Total Length(ft)/roll | Price/roll(USD) |
|--------------|--|-------------------|----------|-----------------------|-----------------|
